Dear Steering Committee Members,

Re: National Register to Make Complementary Medicine Safer

We were pleased to read your recent media release, "National Register to Make Complementary Medicine Safer", and congratulate you on your efforts to establish the Australian Register of Naturopaths and Herbalists.

The CAA fully supports the need for improved public safety through registration and the establishment of professional standards. The Association greatly values its relationships with complementary health professionals, and offers its support in your endeavours to formally develop the Australian Register of Naturopaths & Herbalists.

We look forward to building a relationship with you in the near future and working to develop increased consumer confidence in health care delivery through maintaining the highest professional standards, ensuring that all Australians receive efficient, cost effective and safe care.

Yours sincerely,

Dennis Richards
President
